PROBLEM

The Recognition Struggle is Real

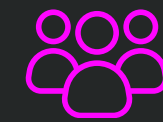

A lot of people are asking for pet sitters and you have no idea.

People are asking for pet sitters and they dont know where to ask

There isnt anywhere a pet sitting app for both sitters and owners in Cyprus

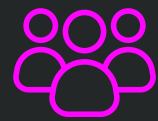

There isnt an app that allows you to add your services and your own hours/prices and allow you to be seen

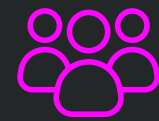

SOLUTION

Meet Petsly

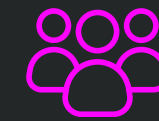

All-in-one pet service app design for sitters to be found and owners to find sitters

Petsly offers a complete booking system

Allows you to control which pets and owners you accept

Allows you to add the services and addons you like and pick your own availability

Growing Market

Cyprus has a lot of pet owners and no dedicated app for this market

- ✓ Facebook groups are asking for pet sitters at least 2-4 per day
- ✓ Gen Z and Millennials investing more in their pets
- ✓ Pet owners have a difficulty finding someone to take care of their pet. This will allow you to be found.

Our Fees

We are full transparent with you and the owners

- ✓ You do not pay anything to use our app! Its completely free for you and owners.
- ✓ We get a 6% fee from each payment of the pet owners, at a minimum fee of 1.5 euros.
- ✓ We use Stripe for Payments, so your money are secure!
- ✓ We get 4% fee from the cash out of the sitters. At a minimum withdraw at 10 euros.
- ✓ The fees mostly is to allow us to maintain the app and cover its costs.
